

Routemex

**Relay Boxes STEEL Style
O Gauge**

Pack of 3

Contains small parts Unsuitable for children

Items are plastic and should be painted by first priming with a matt primer and then paint finish of your choice

The best primer is Halfords grey spray primer. this will adhere well and give an excellent base for all paint finishes.

Acrylic primer can also be used as can matt enamel.

Colours vary considerably but is generally a light grey. usually heavily weathered and in a dilapidated conditon with rust stains.

Can be glued with ***Superglue or epoxy.***

NOTE: Polystyrene and most other glues will NOT work on this plastic
